Home and School Association Proves Popular in Coleman

The Coleman Home and School Association held a meeting in Coleman main school auditorium Monday evening which was attended by 85 Coleman parents and interested

BOARD OF TRADE HOLD JOINT MEETING That the Western Coal Industry could be assisted by territorial protection, higher subsidies and lower freight rates, were the main factors that Mayor Frank Aboussafy of Cole-

man commented on while addressing some 150 persons at a joint meeting of Boards of Trade held in the Coleman Elks hall Wednesday eve-

ning when he reported on his recent trip to Ottawa on the Coal Question.

persons.

President of the Home and School Mrs. Mildred Zak, Introduced guest speaker Horace Allen, principal of the Coleman schools, who gave an Interesting talk on the Curticulum in Coleman schools from grades one to twelve inclusive Mr. Allen also gave a thorough explanation of the credit system used in schools.

During the evening two new officers, corresponding secretary, Joe Brown, and publicity chairman, Joan Dunford, were elected and installed to office with secretary Mrs. R. Upton and treasurer, Mrs. E. Aleilo, who were not present at the stat meeting when the full slate of officers were installed to office.

Being the second official meeting of the newly formed Home and School Association memberships of \$1 were collected and 59 persons became members of the Association. An invitation is extended to all parents and interested persons to

tawa on the Cool Quesi
Mayor Aroussely stated he had
been well received in Ottawa and
had been given the opportunity to
present local problems to the Government. He outlined the general
procedure on the hearing. He pointdo out that some 35 million tons
of coal were being used annually
in Canada today with 20 million
of this figure being imported from
the United States.
"Can you imagine that one-twentieth of this amount would put the
coal industry in Canada back on its
feet."
He suggested that a restriction

He suggested that a restriction should be put on imported coal in more that Canadian mines be put back to work. Referring back to the middle 1800's when Nova Scotia coal, being shipped into the States, caused some grife to the American mines, he stated it did not take the Americans long to curb this by passing a bill to curb this by passing a bill to curb this by passing a bill to curb the summer of Canadian coal to the more than the coal industry could be protected by allocating certain territories for supply by Canadian mines.

cating certain territories for supply by Canadlan mines. Such a market, he added, could be found in the north western part of Ontario. He also suggested high-er subsidies and lower freight rates should be made available for the coal industry to put it back on its feet.

feet.

Mayor Aboussafy highly commended Dr. Lawrence E. Kindt for his efforts at Ottawa in attempting to do something for the coal in-

mended Dr. Lawrence E. Kindt, this efforts at Ottawa in attempting to do something for the coal industry.

Lawrence E. Kindt, M.P., and a member of the Mines, Forest and Water committee at Ottawa then gare a short address stating that this area should be given first consideration industrially to solve the plight we are now facing. He was of the opinion that Thermal Power plants would in time come to Western Canada and would add the coal industry. He mentioned that the Borden Commission would be presenting their findings this week on the gas question. He outlined some of the work being done by the Public Works department to aid this part of the country and referred to new post offices being built and RCM Poice buildings.

L. M. McFarland, MP for Kochany East constituency and Dean R Gundlock, MP of Lethbridge constituency also addressed the meeting and pledged their support to assessing Mr. Kindt to do everything

sittenery also addressed the meet-ing and piedged their support to as-sisting Mr. Kindt to do everything possible to help the area which in turn would help their constituen-cies that were also feeling the ef-fects of the failing coal industry. J. J. Beausfield, industrial Com-missioner of Lethbridge, also spoke

He suggested that a restrictlor

join the Association.

It was decided at the meeting that a fee of 10c per person would be charged at each meeting to cover the cost of serving lunch at the

be charged at each meeting to cover the cost of serving junch at the gatherlags.

President Zak announced that Mrs. H. Caraine, provincial representative of the Home and School Associations would be meeting the Coleman executive at 4:15 p.m. on November 10th in the Coleman school to speak on Home and School Associations. The speaker will also visit Bellerue during the evening.

It was announced that Steve Ondrus, vice-principal of the Coleman school, would be the speaker at the next Home and School meeting. Topic of his speech will have announced at a later date.

At the conclusion of the meeting coffee donated by Mrs. George Misura, were served.

briefly, stating that Leithbridge was vitally interested in the problems of the coal industry as problems that affected this area affected all or southern Alberta. He added that Leithbridge was willing to co-operate in any way to help develop this part of southern Alberta.
Chairman of the meeting was William Bird of the West Canadian Collieries who aby introduced all speakers and disclosed some interesting information to the meeting. During the lengthy question period that was held the matter of having bulk loading docks built at Vancouver caused much debate and it was the general feeling of the meeting that this should be done without further delay in order to give the mines delegation that is going to Japan this month, a talking point price wise.

The matter of the north western Ontario market was also discussed and it was the feeling of the meeting that to time should be lost in going after this important market. In response to Mr. Klidr's statement that if the people in the Pass could find a feasible industry for Crows Nest Pass Band Trumpeters Crows Nest Pass Band Trumpeters Revielle Rev. R. MacAulay Benediction

In response to Mr. Kludt's state-ment that if the people in the Pass could find a feasible industry for this area, he and the government would support it to the fullest ex-tent the question of thermal power plants was brought up.

It was disclosed that the govern-ment would assist in building such a plant here if power from the

ment would assist in building such a plant here if power from the plant could be sold. Mr. McKay, a sollettor from Frenie, pointed out that "Cheap electrical power never had to go begging yet."
Mr. Bird also commented that he had spoken to Mr. Bordea of the Royal Commission on production of electrical power by thermal plants in this area and that Mr. Borden had felt this feasible.
Mr. Bird also stated that the West Canaddan Collieries had made a survey of the Gap area north of

Mr. Bird also stated that the west Canadian Collieries had made a survey of the Gap area north of the Pass recently with a view to finding enough water to dam up for cooling purposes for a thermal power plant of a half million watt capacity.

Mr. Aboussafy added to this by saying that the government would build a thermal plant here if it was economically sound. In conclusion to this discussion Mr. Bird said "all we want is the government to give Western Canada the same treatment as they are giving Nova Scotia and we will be satisfied. One thermal plant built in this area would put all mines in this district back into full time operation.

Votes of thanks were extended

votes of thanks were extended to the speakers by F. Catonio of Blairmore Board of Trade, and President Horace Allen of Coleman Board of Trade.

God Save The Queen - Crows Nest Pass Band Atlas Lumber Co. Begins Construction

Another large lumbering company will be a flourishing business in the Crows Nest Pass as Atlas Lumber Company are making excellent progress on the construction of their new mills at Sentinel, just about three miles west of Coleman.

miles west of Coleman
Pete Hornick, manager for Atlas
In the Pass, stated that the allweather gravel road from the Alilson Creek gate to the sawmill site
12 miles north to the South Race
Horse Creek is now completed with
the exception of about a mile stat
still has to be gravelled.
This work is expected to be finished in the next few days.
The contract for the road, which
coat in the near vicinity of some
\$30,000, was let to John Kostiniuk of Blairmore.
On completion of the highway
Mr. Hornick said that construction
of the sawmill at South Race Horse

On completion of the manual of the sawmil at South Race Horse would get underway within the next week and when completed would have a capacity of producing between 50,000 and 60,000 bd. Get of inmber per day per shift. The mill, when in operation, will start out on one shift and will eventually see two shifts working full time. The mill at this site will require about 60 men with 30 working on each shift. At present some 12 to 14 men are employed in the

primary construction work.

Plans for the big planer mill to be built just south of the number three highway at Sentinel, three miles west of Coleman, are not yet complete, but Mr. Hornick statdard that it was hoped construction on the mill would start this winter to be in operation by spring.

When both the sawmill and the planer mill are in operation, Mr. Hornick said, it was expected that some 100 men would be employed full time, weather permitting.

Boutinent for the aswmill at South Race Horse Creek is being made in Edmonton and is already beginning to arrive in the Pass. while machinery for the planer mill is still being investigated.

Cost of construction of the all-weather gravel highway, together with the aswmill and planer mill is expected to be approximately one quarter million dollars. When the mills are in full swing they will play a great part in relieving the unemployment situation in Crows Neet Pass.

Plans Progress for Big Gas Plant West of Coleman

(The Lethbridge Herald)

Alberta's minister of lands and forests has been authorized to sell to Westcoast Trans-mission Co. Ltd. 207 acres of land just west of Coleman on which Westcoast Transmission and Jefferson Lake Petrochemicals of Canada will construct a gas processing plant.

and Jefferson Lake F and will construct a ge Estimated value of the piant is \$15,000,000 westcoast executive assistant, J. R. Ballen, Calgary, told The Herald by telephone Friday. Construction of the processing plant will begin when Westcoast receives a permit for export of Alberta gas. Mr. Ballen said; however, it "could only be an educated cuese" when the construction will actually start, he added.

Airport Included The Jand. which includes an abandoned airport in the Crows Neet Pass, is located three and one-half miles west of Coleman near Sectines is diving. Purchase Precie wasvet by the government at \$8,281.20 Westcoast Transmission Co. Ltd last year applied to the Alberta oil and gas conservation board for a permit to purchase Alberta gas and deliver it to the British Columbia-Idaho border.

Westcoast Transmission Creek field, both in Southern Alberta.

The project would mediade as 30-inch pipeline to be built by Westcoast from the international boundary near Kingsgade, B. C. to the Alberta-British Columbia border, a distance of about 106 miles.

The Alberta-British Columbia border, alberta-British

Sprocessing piont.

One Export Line
At the present time, Mr. Bellam outlined, Alberta and Southern and Westcoast will use only one export line and Westcoast is in the process of filing an amended application with the oil and gas conservation board.

If and when the company re-receives a permit from the Alberts old and gas conservation board for export of gas, they must then receive permission from the fed-eral government, then from the U.S. federal power commission.

federal power commission and Al-berta and Southern Gas Company will hold equal shares of equity stock in the single pipeline.

stock in the single pipeline.

The planned project would in addition to including the 30-inch pipeline from Kingsgate to the Alberta - B. C. border, also probably include 43 miles of 20-inch pipe and 25.9 miles of six to 16-inch gathering system to deliver sour gas produced from the Savanna Creek wells to the sax company plant near Coleman.

pany plant near Coleman.

Gas from the East Caigary field
will be piped to the Coleman plant
and then will be piped, along with
processed gas from the plant, to
an interconnection with the 30inch line at the Alberta - B. C.
border.

Plans are reported to call for two large gas processing plants to be constructed, one probably near Calgary and the other at Coleman.

William R. Burrows **Former Colemanite** Passes in Vancouver

Word was received by Mr. and Mrs. J. MacDonald of the death of Mr. William Robert Burrows in Vancouver on October 19. He was 80 years of age, born in Nova Scotia October 2, 1878.

The late Mr. Burrows will The late Mr. Burrows will be remembered by Coleman oldtimers and was employed at both International and Mc Gillivray mines. He served in World War 1 with 54th Battn.

World War I with 54th Batth. Funeral service was held in Vancouver October 22, in the Chapel of Chimes. Rev. Major Geo. Turpin, D.D., officiating. Interment in Field of Honor, Mt. View Cemetery.

Coleman Miner Sustains Broken Leg

Sustains Broken Leg
Alex Chalmers, well known Coleman miner, sustained a fractured
lett femur while at work in the
McGillivray mine in Coleman Wedneeday afternoon about 1 p.m.
Mr. Chalmers, who was workins
in a pillar section with his partner, was caught by a fall of coal
which knocked him off the plank
platform he was standing on and
burted him shoulder deep in coal.
He sustained the fracture from a
large piece of the fallen coal rollining onto his leg.
After spending a day in the
Crows Nest Pass Municipal Hospital Mr. Chalmers was taken to
the Calgary General Hospital for
further treatment for his fractured
leg. His condition is reported as
good.

St. John Ambulance Assn. to Resume Winter Classes

A delictions ulunch was then served by the committee.

Meeting Called For Pincher Creek

William Kovach, MLA of Hill-crest, stated this week that a meet-ing would be held in the Pincher Creek town ball at 2 pm. on Wed-nesday, October 29 for the purpose of setting up a committee to study the details and discuss plans for the Old Peoples home to be built in Pincher Creek by the Provincial Government Government.

Government.

The committee will study several locations in Pincher for the erection of the home.

This information was given to Mr. Kovach by Deputy Minister of Health and Public Welfare of Ed-

Health and Public Weltare of Red-monton, who requested that a meet-ing be arranged in Pincher Creek to be attended by a representative of the Provincial Weltare Department All towns and constituencies in the Crows Nest Pans have been not-ified of the meeting and it has been requested that a representa-tive from each attend the meeting.

Bride-elect of October Honored At Shower

Accompanied by her paternal grandmother, Mrs. James Lowe, of Coleman. Alberta, and distto of Kimberley, Mrs. Tom Claussen (nee Alberta) Coleman Shella Lowe) eddest daughter of Mr. and Mrs. Robert Lowe of Morison Sub., was honored at a show-or on Monday, September 29th in Elika hall, Kimberley, B. C. About 85 guests were in attendance.

bingo played.

Later a dainty lunch was served
by the hostesses, Mrs. Evelyn
Brown, Mrs. Helen Jones, Mrs.
Mary Lyons, Mrs. Maude Swan,
Mrs. Mary Kelly, Mrs. Betty Plant.
Mrs. Anne Semenluk and Mrs. Mar-

garet Gilmar.

The lucky cup was won by Mrs.

Anne McLean and the lucky chair
by the bride-elect.

The bride-elect very ably thanked her guests and hostesses for her
lovely gifts which included a coffee table, a step-up table, electric
mantle clock, electric floor polishor acrolon rue, stalnless steel kitr. acrelon rug, stalnless steel ki

Old Folks Guests At Turtle Mountain

At Turtle Mountain

(Fort Macleod Gazette)
The trip by Callow coach to Turtle Mountain at Frank recently proved to be most enjoyable for the 17 persons that travelled.
Viewing the Lundbreck Falls and the Frank Slide of 1993 and arriving at the Turtle Mountain Playrounds, the party were warmly welcomed by the proprietors, Jack and Kay Kerr.
Expecting to pay themselves for the fine chicken dinner with leveram for dessert, Mrs. Kerr informed them that the repast was "on the house", and extended an invitation to visit them again.
The party was shown over the spacetous premises and the novelty store in connection. Before entering the coach for the return trip all occupants warmly thanked Mr and Mrs. Kerr and then all Joined Ivanish and They Are 1919 Good People".

Mr. Kerr, who was born in the

iu singing "They Are Jolly Good People".

Mr. Kerr, who was born in the Pass, is a RNWMP veteran. having served in northern Saskatchewan, where he met his wife.

Their bospitality to the police veterans is well known as many of the "K" Division veterans organization meetings have been held at their hotel.

James Ironfield accompanied the party. Mrs. Perkins and Mrs. Anderson were the only two outside of the hospital residents, as mem-

hers of the Old Age Pensioners.

It was one of the most enjoyable trips made by the coach.

Mrs Warren of Letbbridge was in charge. The coach returned to Fort Macleod at 7 p.m.

Calgary Highlanders' Reunion Nov. 1

Hon. George Hess, Ottawa, Minister of Transport in the federal government, will be guest speaker at the Calgary Highlander annual Waichern dinner and reunion in Calgary on November Ist.

Mr. Hees was brigade major of the 5th Canadian Infantry Brigade at the battle of Walchern Island. He took command of "A" company or the Calgary Highlanders in the artion when all officers in the company were wounded.

action when all officers in the company were wounded.

Mr. Hees was also wounded very shortly before the Calgary High-landers were relieved by units of be 552m British Mountain Divn.

The recunion takes the form of a social evening and dinner on Saturday evening followed by a remembrance church parade and memorial service Sunday morning.

Southern Alberta Broadcasting

A 24-hour round-the-clock broad-cast schedule has been included in the programming plans of the Sou-thern Alherta Broadcasting Com-puny, should the Company he suc-cessful in the rapplication for a license to operate a radio station is Lethhridge.

license to operate a radio station in Lethridge. This has been announced by J. H Budd. Southern Alberta Broad-cast manager, who stated that through this schedule — the first of its kind in the area—it is hoped to provide as complete a service as possible to South Albertans. Wr. Budd added that many residents of the area who, either by duty or by cholee, are up during the night and easily dury or by cholee, are up during the night and easily dury or by cholee, are up during the night and easily dury or by cholee, are up during the night and easily dury or by cholee, are up during the proposed abude for such a service.

The proposed schedule will naturally be concentrated on musical

"The proposed schedule will n The proposed schedule will naturally be concentrated on musical variety, although strong emphasis will also he placed on providing listeners with up-to-the-minute n.ws. sports and feature reports. Every important phase of local happenings will be atreased during the course of these reports." Following the release of this statement. Mr. Budd added that other plans are now being formulated to more fully cover the needs of the listeners throughout the area and these will be announced as they are finalized.

News Item: "Statisticians find that nine out of 10 women are knockneed." And for years we'd been thinking that statisticians never had any fun.
